

Program Conditions of hipergate® Blue Belt Partners

www.hipergate.org

MISSION

The mission of the hipergate partner program is to simplify locating business consultants and implementers worldwide.

Our objective is to advise users so that they get the best possible service and support local implementers so that they can do their business right.

WHO CAN BE A PARTNER?

As is the case of our software, our partner policy is free and open.

You can be a partner if you are a company or independent professional that provides consulting services related to hipergate in the following areas:

- Strategic Business Consulting
- Marketing and Client Relation Management Consulting
- Quality Consulting
- Technology Consulting
- Independent Software Developers
- Universities and Non-Profit Organizations

WHAT ARE THE BENEFITS?

hipergate is a new and lucrative business model for consultants and access providers.

In addition, it lends itself to research project development and your own products based on this platform.

The Blue Belt program facilitates knowledge and distribution of consulting services through hipergate. It enables us to prescribe and promote business opportunities worldwide.

It also provides a way of keeping abreast of the latest innovations, making contributions and finding third-party extensions.

Our partner agreements include:

- Level 2 Technical Support
- Training
- Business Networking
- Sales Material
- Joint Promotion
- Participation in Research Projects
- Special Customized Development Modules
- Access to a Special Area for Partners on the hipergate Website

We believe in a fair policy with regards to the sharing of profits generated from projects. We charge you for the software and services performed once you begin receiving income from your clients.
